Edo State, Nigeria.

WORK EXPERIENCE

- **Cable Installer [Netcom, Idaho State University]**
2016 – 2017
My first year at ISU I got a job to work as a cable installer with a team I worked with. We as a team figure cable connections and distribution in campus buildings.
- **Assistant Manager [Electronic repair]**
2011 – 2015
I was a manager assistant back in my country, where we repair electronics and other machines. Computers, tablets, and smart devices included.
- **Teacher Assistant [Brigham Young University]**
2020 – 2021
Now in college, I am currently working alongside my professors to help and assistant them in teaching their students and helping the students have a better and understanding semester.
- **Teacher Assistant [Brigham Young University]**
JAN 2022 – APR 2022
Working side by side with my Professor, and other of my peers, building apps and website maintenance, I have come to understand and improve on my development and teamwork skills.
